Cheers !!!

- By Marla Belzowski – Editor

After more than 10 years of planning and hard work from all our members, our new building is in the final stages of completion DONE! A huge THANK YOU to Mike Coats Jr and all the individuals who worked on the building to get it done in time for our Puppy Match the first weekend in March. The Building looks like a “pot o’ gold” at the end of a very long rainbow.

But is it not yet time to kick back and raise a frosty mug just yet. We have a lot of organization and final touches to put into the building to get ready for our classes and shows. We still have a lot of work outdoors on the lawn and landscaping as soon as the weather starts to cooperate.

We also have a lot of work on going to kick-off our Open House Celebration on June 14 & 15. (update on page 2) So get down to the new building to see it and start thinking spring!

Saying Farewell to the Old Building

The last class on the last class night in the old building.

Isabelle -- November 18, 2001 to February 7, 2014

Dear Lord,

We gave thanks for being blessed with your gift to us of our Isabelle for 12 years and 2 months. She was born in our home on November 18, 2001 and we called her Cozytales Issy She Lovely and lovely she was.

She never liked being involved in dog competition so we just let her stay home and enjoy her life to the fullest. Her main roll was just playing with all the other dogs, she especially liked always playing with our new pups, so for us that was a very important job.

She never failed to become our new pups favorite dog as she is pictured her with Mr. Gibbs just one day before she passed on.

She simply left us because of old age.

Mere words could never describe the fulfillment our lives have had because of our Izzy. These awesome animals take a piece of our hearts with them when they leave us but eventually our hearts become full once again with the love of the ones we still have with us.

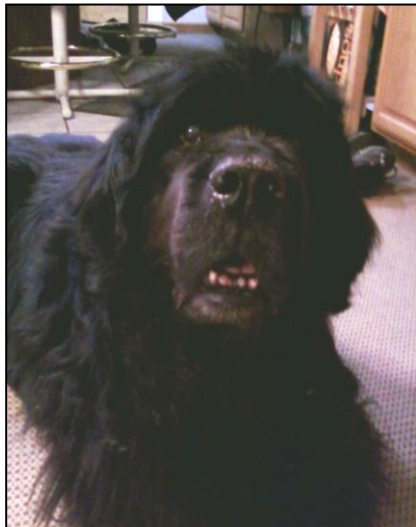

She was a daddy's girl, so my Jim needs prayers from all my friends. We will miss our Isabelle for a very long time.

Welfare cont....

From Perri Graf

A piece of my heart went to heaven tonight. Ch. Stonehill's Wishes Come True, CD, RN CGC (Dec. 13, 1999 - Feb. 10, 2014) has gone to the bridge tonight.

Heidie was a great companion that lived longer than any true companion that I have ever had. I will always remember the memories that she left me and was truly blessed to be owned by her.

She gave me my first bred by and owner handler Champion and

her granddaughter was my first Grand Champion. To me she has left a legacy. Even in these last few weeks she knew what she wanted and never missed a meal. She leaves an empty place in the house tonight.

TRAINING DIRECTOR'S CORNER

From Dale Burrier – Training Director

March is upon us... in like a Siberian Tiger! (I'd rather just have the plain ol' lion! The real news is that we're in our new building!

Many thank-you's to Michael Coates Jr. and all of the people that made this happen, in our lifetimes!

We will have some growing pains, as we figure out the new arrangement of training rings, trial rings, crating areas and storage. Bear with us... if you have an idea, bring it up!!!

As I mentioned in the last issue, we are planning an Instructor's meeting, the Sunday following the Puppy Match, on March 9th.

Agility and Obedience will take 1-1/2 hour blocks starting at 9 a.m., thru noon. We are sorely behind on keeping the individual instructors up-to-date, and on the same page, and REALLY need to get these squeezed-in before show season starts.

If this date does not work, then we will find another, but for now, plan on being at the new club on the 9th.

You will notice that there will now be a dedicated 'free ring', for club members to use, anytime the building is open.

This is outside the agility training area by the east entrance & roll-up door, and will always be double-gated.

Please feel free to do any type of training there, but be mindful of your fellow club members and limit your training to 10 or 15 minutes... Remember to share!

At this point, my plan is to have ALL crating close to the 'potty door'... however, the pea gravel is not installed, so we will have to potty the dogs at the north end of the parking lots, all the way north, or all the way west. Please pick-up after your dogs!

When crating your dogs, please make sure you are not up against the ring gating!

There is ample room for your furry kids, unlike the old building where we were on top of each other.

Currently, the free ring is the only area double-gated; we may set up additional gating to help sequester the crating area from the working area.

When setting-up, please stagger the openings so that a loose dog can't dash straight through... offset with enough distance that they have to slow down to maneuver their way through.

Trainers, check out Suzanne Clothier's web page, at <http://www.suzanneclothier.com/>

Please let me know if you have a question, problem, idea!

You can always approach me at the club, or you may contact me by email: aircraft@aol.com or dbairedale@aol.com

You may also reach me at 440-220-0551, which is my cellular phone.

YABTC Sportsmanship Award

The Definition of Sportsman: A person who is fair and generous. A good loser and graceful winner.

The Definition of Sportsmanship : Conduct becoming to a sportsman, as fitness, courteous relations and graceful acceptance of results.

This year the membership was asked to give their feedback on who they felt should receive the good sportsmanship award. Many names surfaced but one name came to the forefront. I am very honored this year to present the YABTC Good Sportsmanship Award to the Members choice.

Caren Vicich is this year's recipient of the YABTC Good Sportsmanship Award.

She has all the attributes of a true sportsman. Caren is always willing to help the new comer who has questions and concerns and guide them either in the conformation ring, obedience ring or rally ring. She has many times given up training her own dogs to instruct class or help someone who has a problem dog, sometimes going out of the way to find the answer to the problems and guiding handlers in helping them to solve the problems with dogs.

Caren upholds the standards of our canine sports and helps to develop new standards that all of us should be proud of.
