AURA

Aura, I do not yet want to be without you!.. Aura passed away peacefully in her sleep on June 8, right next to me!.She was curled up in her bed and she looked so cute.

Thank you for her. She never had to suffer . Even before resting her head last night, she was doing fairly well.

I learned to live in her world and she was gracious enough to let us share it. Aura was unique. She would command me to throw the ball at all hours of her day, and obsessed about playing her favorite game, fetch.

She taught me everything I needed to know about showing dogs. She was my first competition dog . She introduced me to a lifetime journey, an adventure into the show ring of agility, obedience and rally. In agility I once sent her to the wrong side of the tunnel. She knew the even flow of a course and decided on her own to go to the other way, causing my friends to proclaim that she saved you once again. • She came in first that day.

By the end, she had at least 40 first place ribbons in agility, 98 was her highest score in rally ever, and she received a wooden plaque once for placing first (highest score for the entire weekend) at an obedience trial at YTABC.

She was the best behaved golden retriever I ever had and people loved her wherever she went. No one loved her more than me.

One week before she passed, she got to spend 6 weeks on Hilton head Island (where she played fetch many times on the beach and if I decided to stop throwing the ball ..she had no problem finding a stranger to work for her.

She will be missed and remembered with love by her family for a very long time. Our Aura October 11, 2004 -June 8, 2016

KELSEY

Tanglewood's Fairytale Princess CD, BN, RAE, OA, OAJ, NF

July 5, 2004 to May 24, 2016

Kelsey was a shy, sweet Sheltie. Her last agility trial was in October 2014 which was the first one at our new building. These pictures were taken at that trial. I had dropped her down to the preferred class so that she would only have to jump 8 inches

since she was getting older and had some arthritis developing.

She loved the new cushiony padding and ran faster on it. She qualified in both excellent standard and JWW! We tied in 2011 for the most AKC titles earned on a single dog.

Despite our best efforts, Don and I lost her to kidney disease. She is missed greatly by us and all the rest of the Harper Shelties.

Welfare

We are sorry to hear that Jay Wootten's husband passed away April 20th. He was 81. There was a copy of an article from the Salem News at the club. There were no calling hours or funeral listed. Jay has been a long time member of the club.

Susan Fithian broke her left foot and severely sprained her right ankle in a fall

Janet Robertson lost her sheltie, MACH Dash

Lotta Shafer lost her Belgian Tervuren, Wicked.

Bonnie Foster's mother passed away .

Barb Wilson lost her Australian Shepherd, Ms. Bea (McKay's Beat the Heat).

Our sincere condolences to everyone on so many losses these past few months.

April 27, 2016 - Pet Therapy Visit for Exam Week Walsh University

From Heidi and Panzer

Walsh University in North Canton, Ohio Stark County was one of the first colleges to have TDI dogs visit their facility during Finals Week. They have been doing this for several years. Panzer enjoyed the students giving him plenty of love and attention.

Towards the end of the visit, we had to show off some of our good obedience skills, Sit, Stand, Stay and Recalls - all were quite impressed: outside - not in a structured ring environment, much distractions on the grounds of the university kids running, Students moving, teachers, other dogs

YABTC Supports Local K-9 Units

Youngstown All Breed Training Club recently became aware of fund raising efforts by two local police departments for their respective canine units. Weathersfield Police Department has their K-9 unit in place but need funds to equip their new SUV with the necessary items to keep their dog safe in the vehicle. Their goal is to raise \$7,000 for the cage, heating and cooling systems and doors that automatically unlock to release the dog when necessary. Their canine is Dani, and he is trained in the dual purpose of patrol and narcotics detection. He can track as well as apprehend those that flee from arrest. Dani can do searches of buildings and other areas and using him in those situations improves the safety of his handler and other officers.

The Salem Police Department is starting their canine unit, and their needs were significantly higher. They have a canine officer, a vehicle and their dog has been imported from Holland. They still need training for the canine and handler plus and all the necessary canine equipment for their vehicle. Their original goal was \$55,000; and through fund raising begun in January, they have raised enough to cover everything except for outfitting their vehicle for the dog, its training and sustaining their canine unit.

Youngstown All Breed Training Center was pleased to be able to present a check for \$500 to the Weathersfield Police Department to help them achieve their goal. The Weathersfield Police Department was represented by Chief Michael Naples and K-P Officer David Blosser and his dog, Dani. We were also pleased to present a check for \$500 to the Salem Police Department. They were represented by their K-P officer Michael Garber. We thank both of these departments for their efforts in keeping our communities safe.

Anyone wishing to make individual donations to the two departments are welcome to do so.

Canine Cancer Awareness

We have quite a few bracelets left over from the March Agility Trial when we had our Canine Cancer Awareness weekend. If you are able to take some and sell them, we can still make a BIGGER donation to the AKC Canine Health Foundation earmarked for cancer research. They are black silicone with hot pink paws on them and are not hard to sell!

We are selling them for \$2 a piece and ALL profits go to AKCCHF. There are a few bracelets at the club on the desk outside the office with a money box. Sandy will also have them at upcoming agility trials. If everyone sold 5 bracelets in the club, we could make a BIG additional donation! Take them to work or give as gifts! Please help support this worthy cause.

Please contact Sandy Irish and she will make arrangements to get you the amount you need.
